

Server Components: A New Frontend Era

Ayoub Alfurjani | Senior SWE @Kevelop

This is a
Talk

A talk is a
performance.

A talk is
also a story.

A talk is
a collaboration.

Client

Client Side Rendering

The OG React way

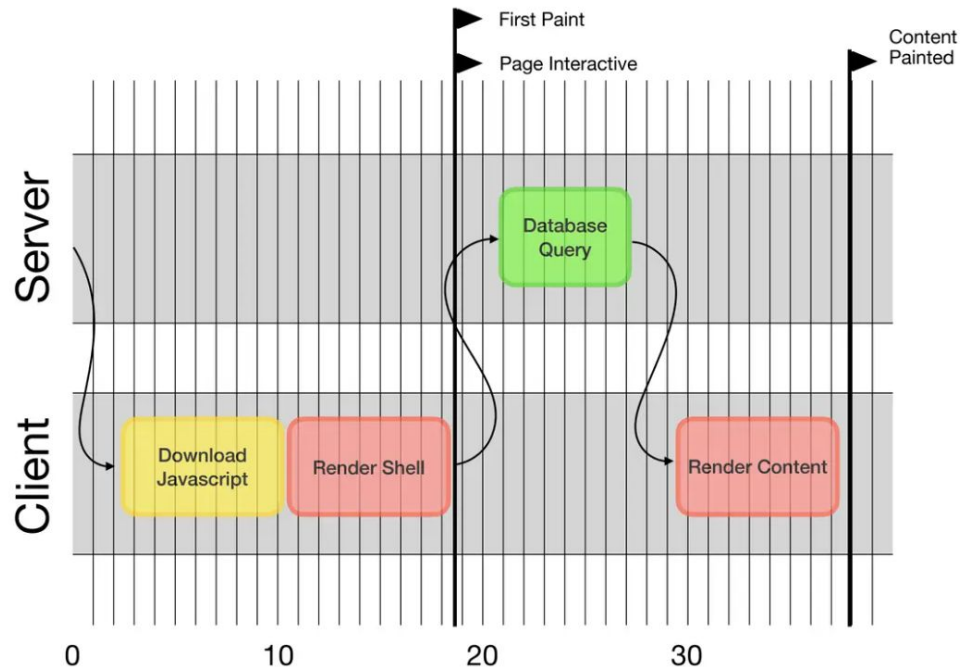

Chart adapted from Josh W Comeau [<https://www.joshwcomeau.com/react/server-components/>]

Server Side Rendering

Same as CSR but better SEO

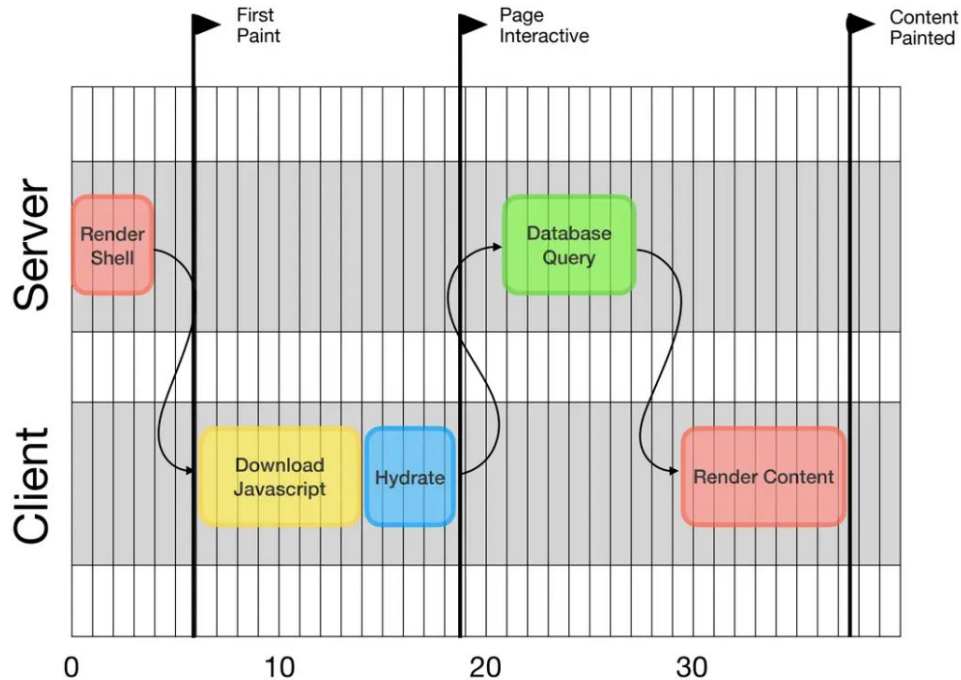

Chart adapted from Josh W Comeau <https://www.joshwcomeau.com/react/server-components/>

Why not this?

Some frameworks already have this
